Attachment to Proof of Claim of
AB Automotive Electronics Ltd..
In re Delphi Automotive Systems, LLC
Case No. 05-44640

As set forth on the attached proof of claim and described in greater detail below, the claim of AB Automotive Electronics Ltd. (the "Creditor") against Delphi Automotive Systems, LLC (the "Debtor") is comprised of the following components: (A) a reclamation claim having administrative expense priority status under 11 U.S.C. §§ 503 and 507(a)(2) in the amount of \$120,000.00, and (B) a general unsecured claim in the amount of \$40,270.22.

As of the filing of the voluntary petition on October 8, 2005 (the "Filing Date"), the Creditor was owed \$160,270.22 (the "Pre-Petition Balance") for product manufactured for and delivered to the Debtor and for related charges. A summary statement of the invoices comprising the Pre-Petition Balance is attached hereto as **Exhibit A** and incorporated herein by reference.

(A) The Reclamation Claim

The Creditor delivered a written reclamation demand dated October 14, 2005, to the Debtor in the amount of \$157,449.50 covering all goods sold and delivered to the Debtor by the Creditor within the periods described in § 2-702 of the Uniform Commercial Code and 11 U.S.C. § 546. The invoices that were the subject of the Creditor's written reclamation demand are included within the Pre-Petition Balance. Pursuant to the Amended Final Order Pursuant To 11 U.S.C. §§ 362, 503 And 546 And Fed. R. Bankr. Pro. 9019 Establishing Procedures For Treatment Of Reclamation Claims entered by the Court on November 4, 2005 (the "Amended Reclamation Procedures Order"), the Debtor reconciled the Creditor's written reclamation demand (assigned Delphi Reclamation No. 473) and determined that, subject to the Reserved Defenses (as defined in the Amended Reclamation Procedures Order), the amount of \$120,000.00 (the "Reconciled Reclamation Amount") was the maximum allowable amount of the Creditor's reclamation demand entitled to priority as an administrative expense. A copy of the Debtor's schedule showing those invoices comprising the Reconciled Reclamation Amount is attached hereto as **Exhibit B** and incorporated herein by reference. The Creditor accepted the Reconciled Reclamation Amount and, therefore, has an Allowed Reclamation Claim as defined in and pursuant to the Amended Reclamation Procedures Order that is entitled to administrative expense priority status under 11 U.S.C. §§ 503 and 507(a)(2) to the extent set forth in the Amended Reclamation Procedures Order.

(B) General Unsecured Claim

The Creditor's general pre-petition unsecured claim in the amount of \$40,270.22 was calculated by starting with the Pre-Petition Balance and subtracting the amount of the Allowed Reclamation Claim set forth in (A) above.

Reservation of Rights

The Creditor reserves the right to amend this proof of claim to increase the amount of its general unsecured claim if the Allowed Reclamation Claim is not paid in full as an administrative priority claim. The Creditor files this proof of claim without prejudice to or waiver of any rights or remedies to which it may be entitled under the Bankruptcy Code, applicable law or any order of the Bankruptcy Court, including without limitation the Amended Reclamation Procedures Order.
